PART IV – SC Final Report Assessment of Success of SC and Impact on Global Occupational Health

We want to understand and share widely the value and impact of the work of the Scientific Committees on improving global occupational health during the current Triennium 2015 - 2018. Please review the SC activities of this Triennium 2015-2018 and provide an assessment. Please assess the success of the SC and its influence in improving global occupational health as a result of the work *during* the current Triennium. You may want to note anticipated impact. Give examples where possible.

I feel the publication of the position statement and collaborative work with WHO/ILO showed the impact of our committee.
